

Base Model wise CNT(EVIndia)

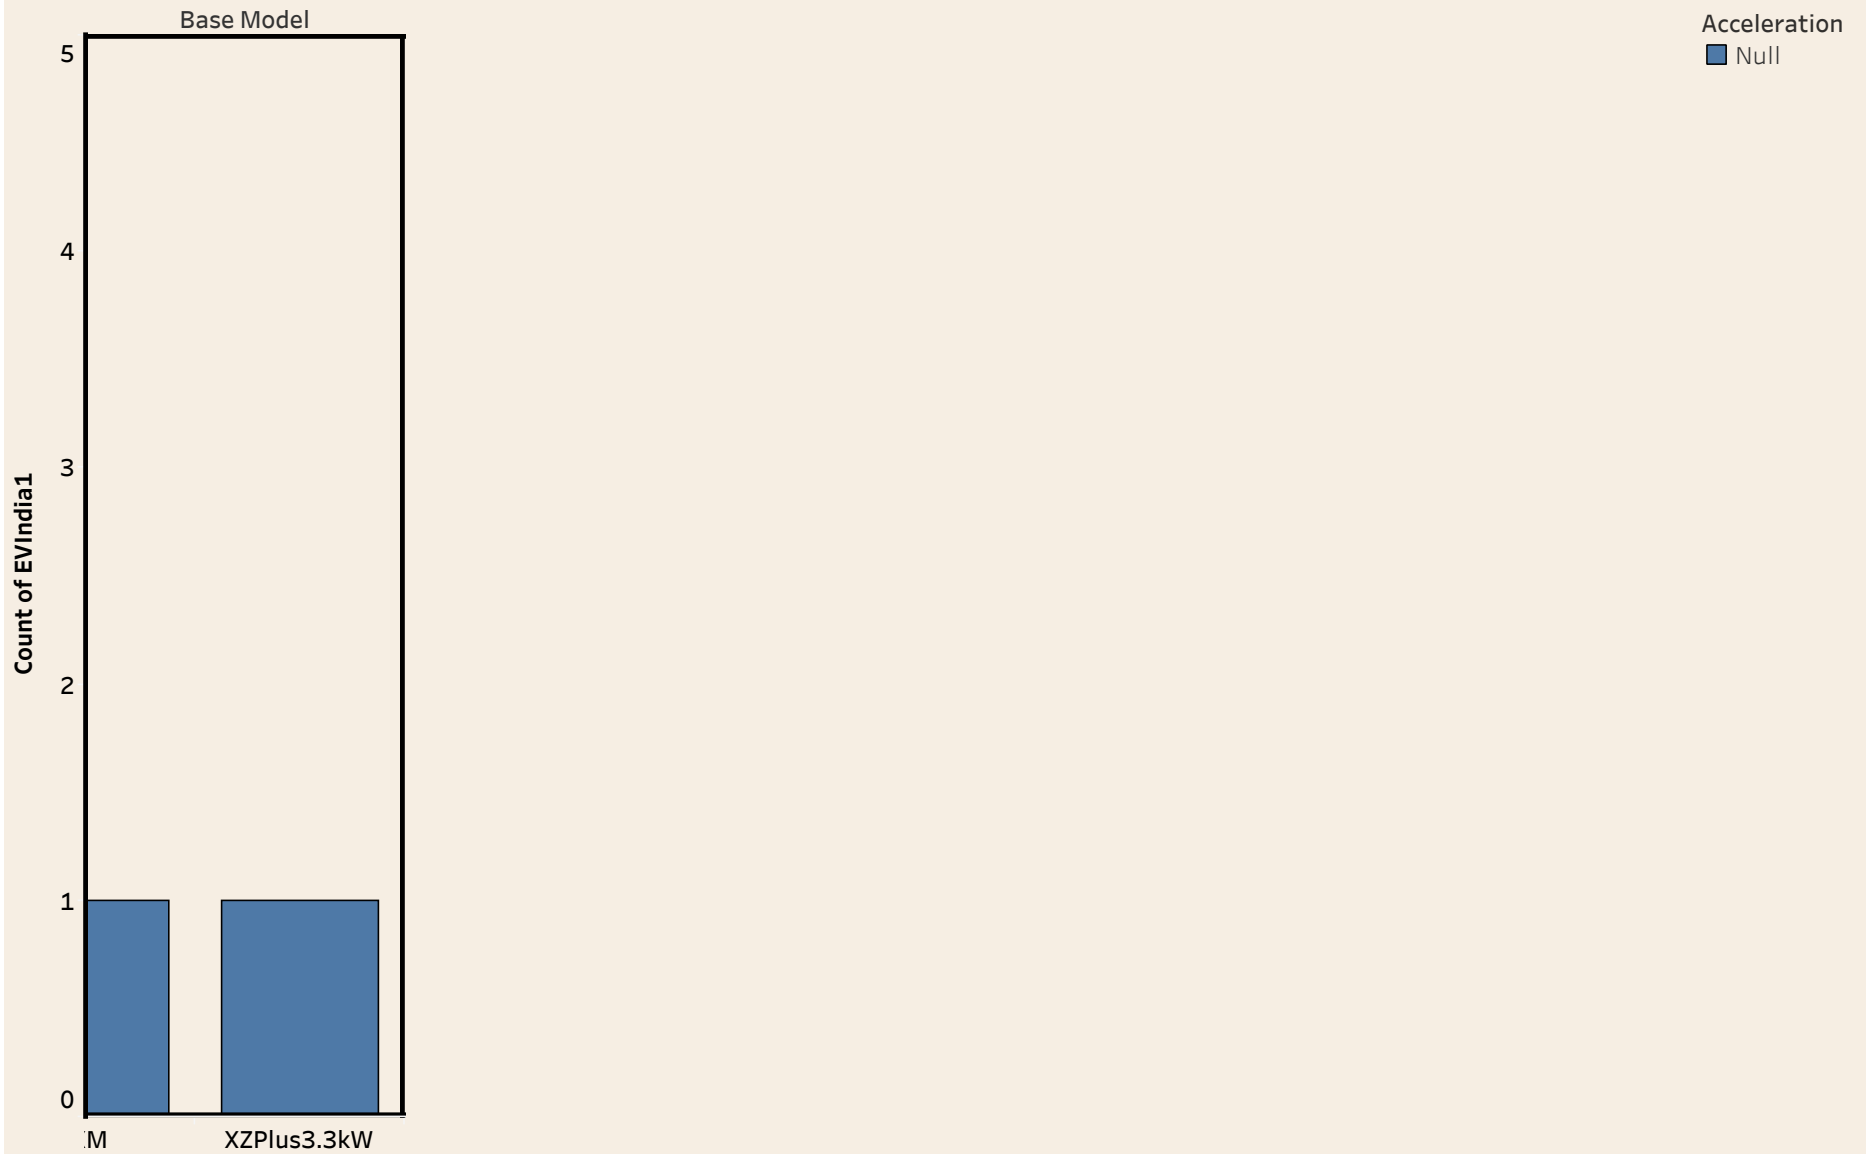

Base Model

Acceleration
■ Null

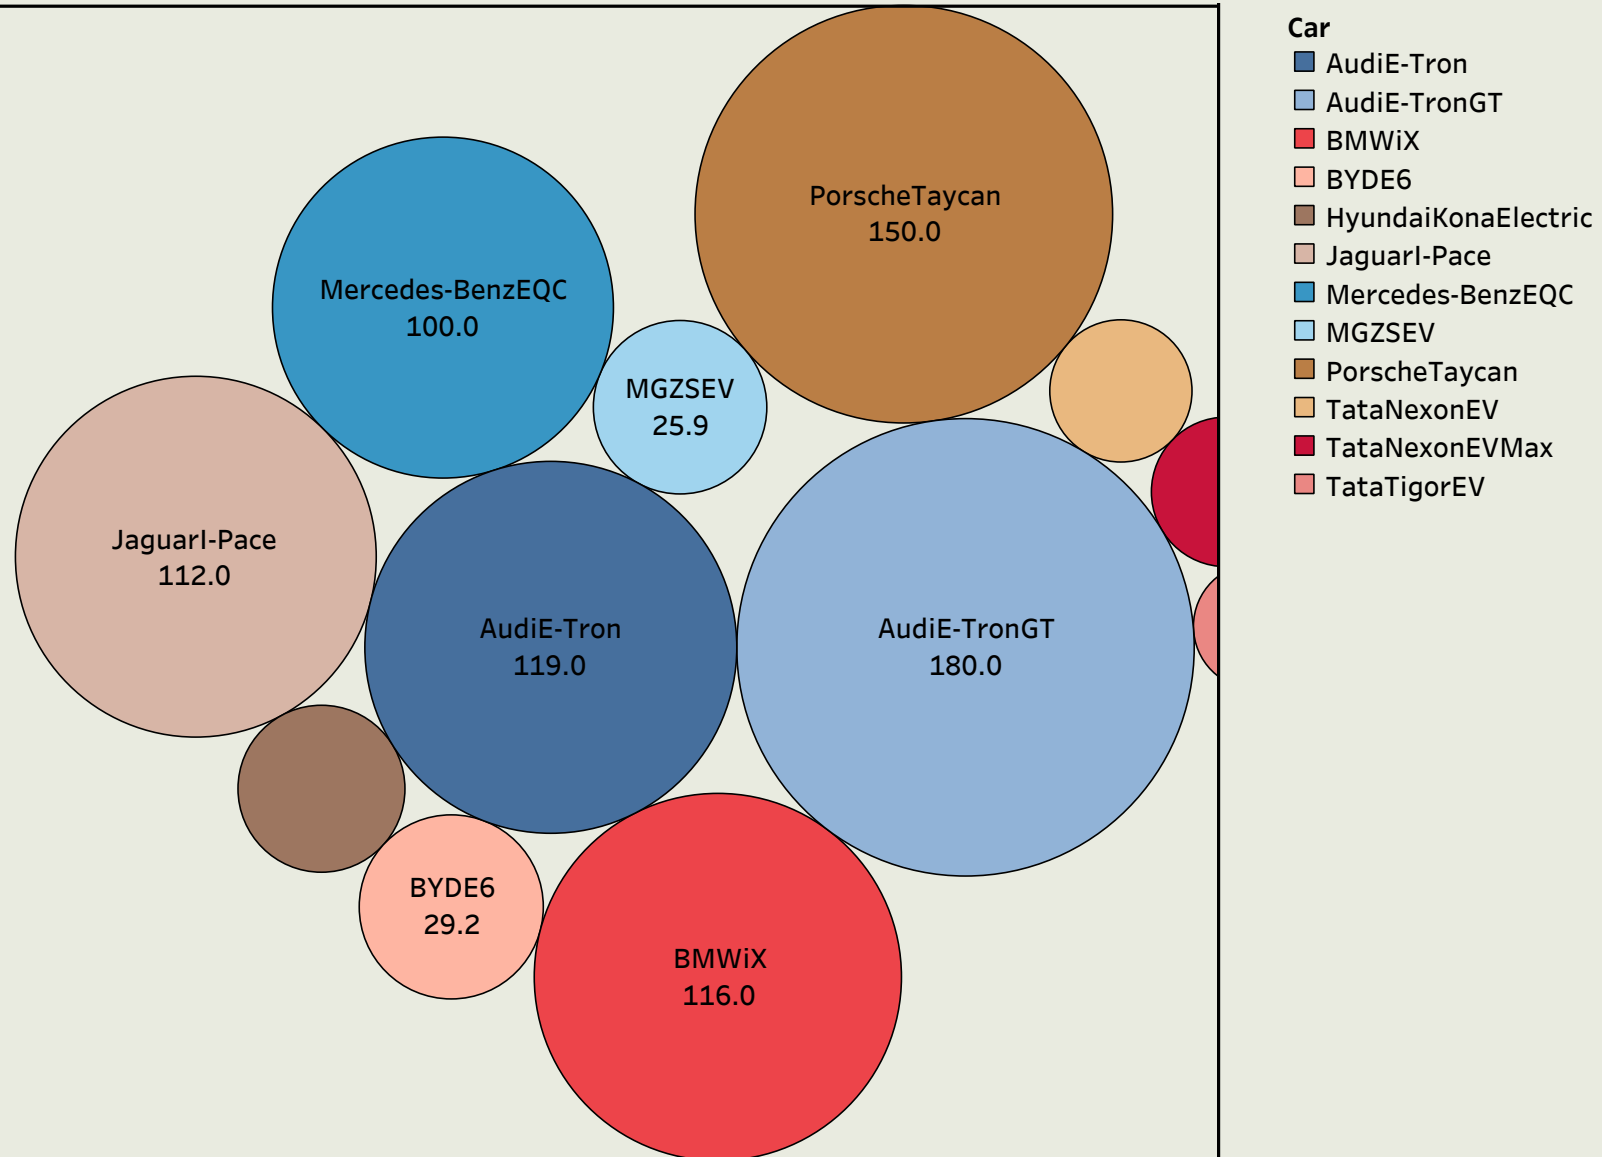

Count of EVIndia1 for each Base Model. Colour shows details about Acceleration.

Base Model wise CNT(EVIndia)

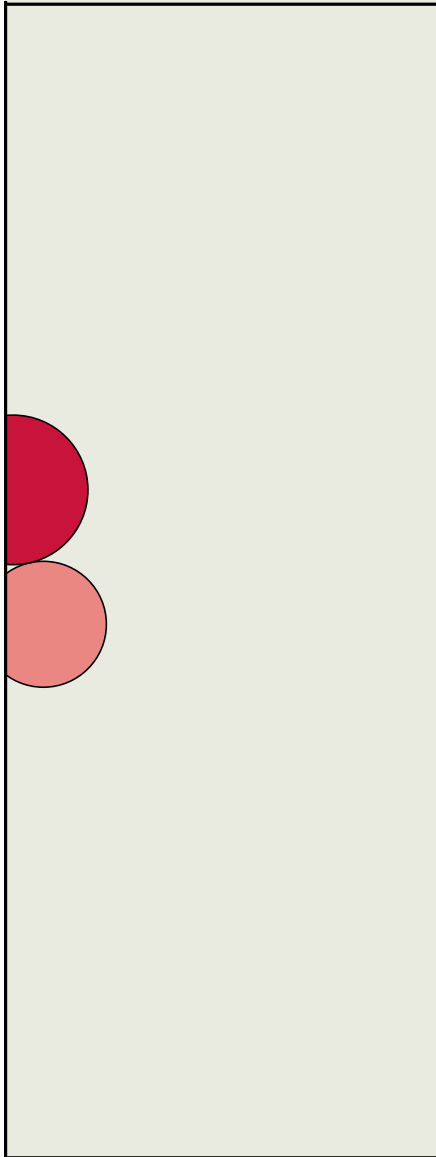

Count of EVIndia1 for each Base Model. Colour shows details about Acceleration.

SUM of Price Range(Lakhs) wise Car

Car and sum of PriceRange(Lakhs). Colour shows details about Car. Size shows % of Total PriceRange(Lakhs). The marks are labelled by Car and sum of PriceRange(Lakhs).

SUM of Price Range(Lakhs) wise Car

Name wise Cars and the Prices

Name, Top Speed, Capacity, Car and % of Total PriceRange(Lakhs). Colour shows sum of PriceRange(Lakhs). Size shows sum of PriceRange(Lakhs). The marks are labelled by Name, Top Speed, Capacity, Car and % of Total PriceRange(Lakhs).

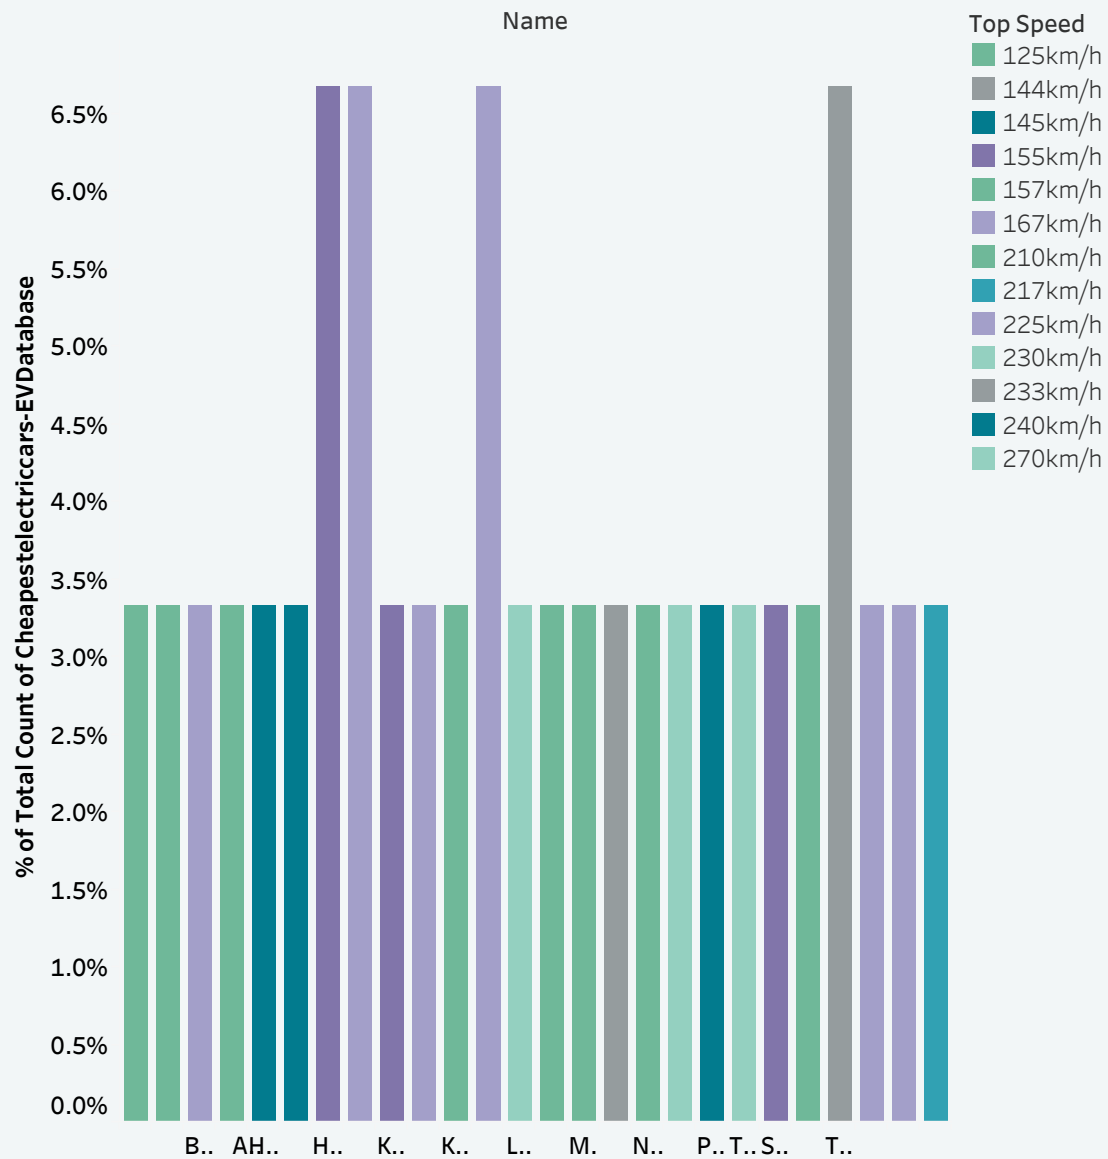

Name wise Cars and the Prices

4Seater
PorscheTaycan
16.55%

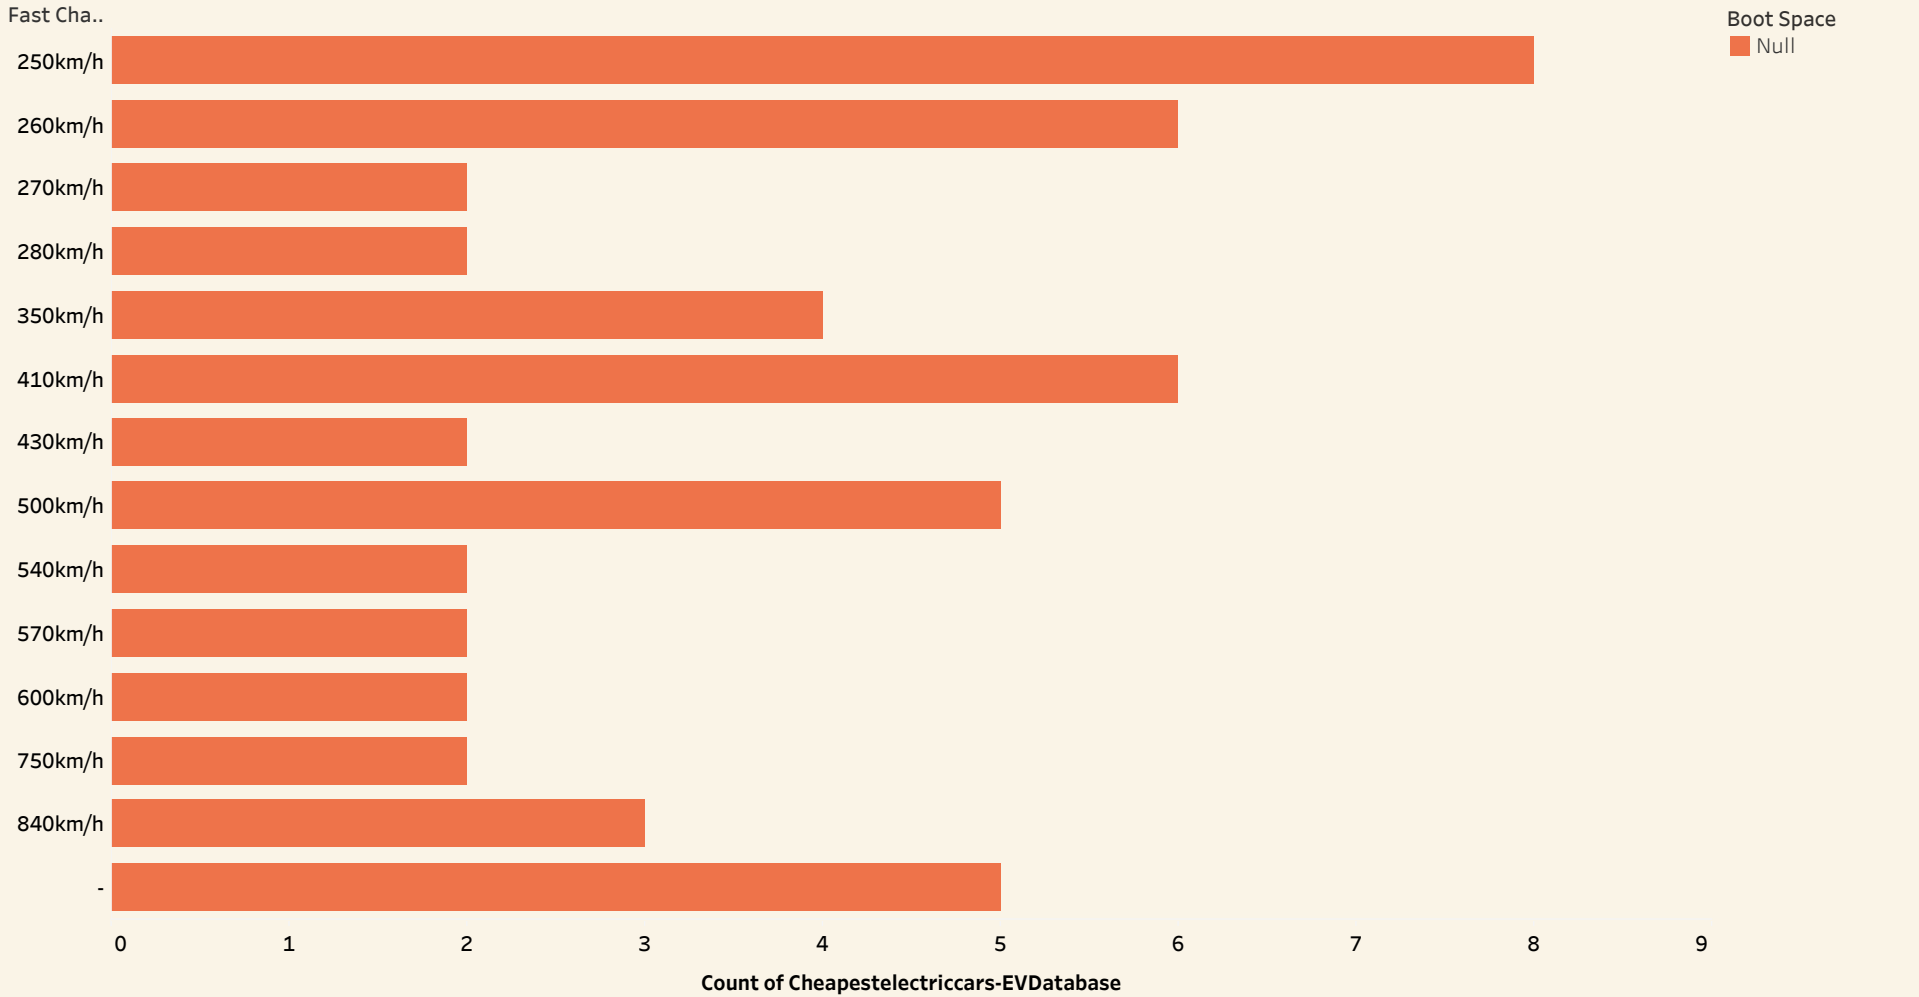

Name, Top Speed, Capacity, Car and % of Total PriceRange(Lakhs). Colour shows sum of PriceRange(Lakhs). Size shows sum of PriceRange(Lakhs).
The marks are labelled by Name, Top Speed, Capacity, Car and % of Total PriceRange(Lakhs).

Name wise CNT(Cheapelectriccars)

% of Total Count of Cheapestelectriccars-EVDatabase for each Name. Colour shows details about Top Speed. The data is filtered on count of Cheapestelectriccars-EVDatabase, which includes everything. The view is filtered on Top Speed, which keeps 13 of 35 members.

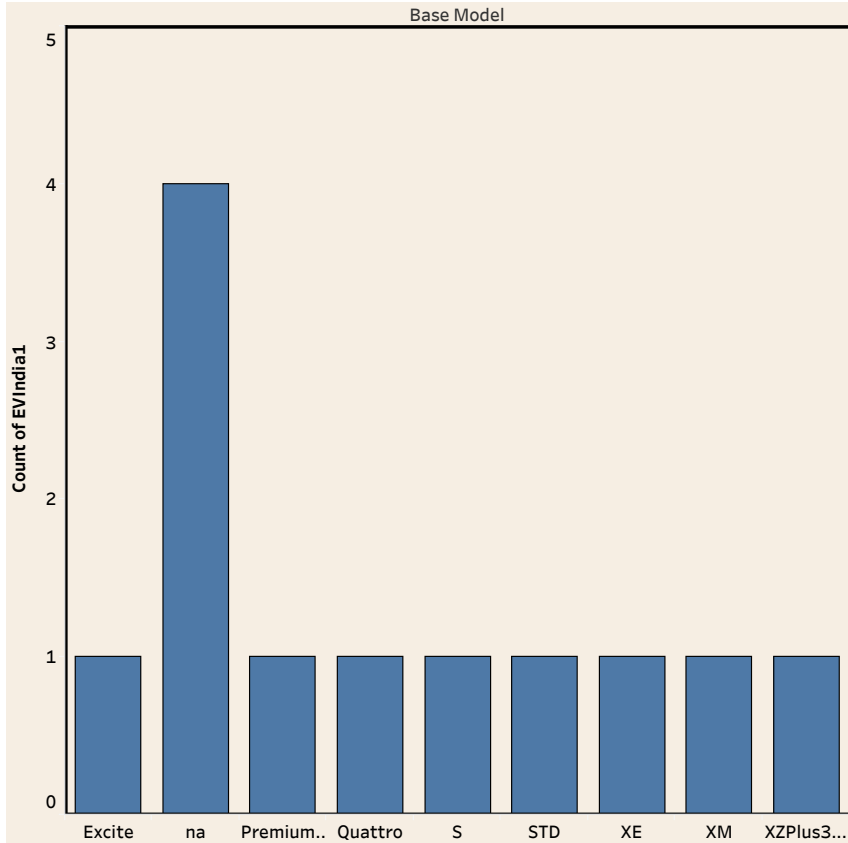

Fast Charge Speed wise Count of Cars

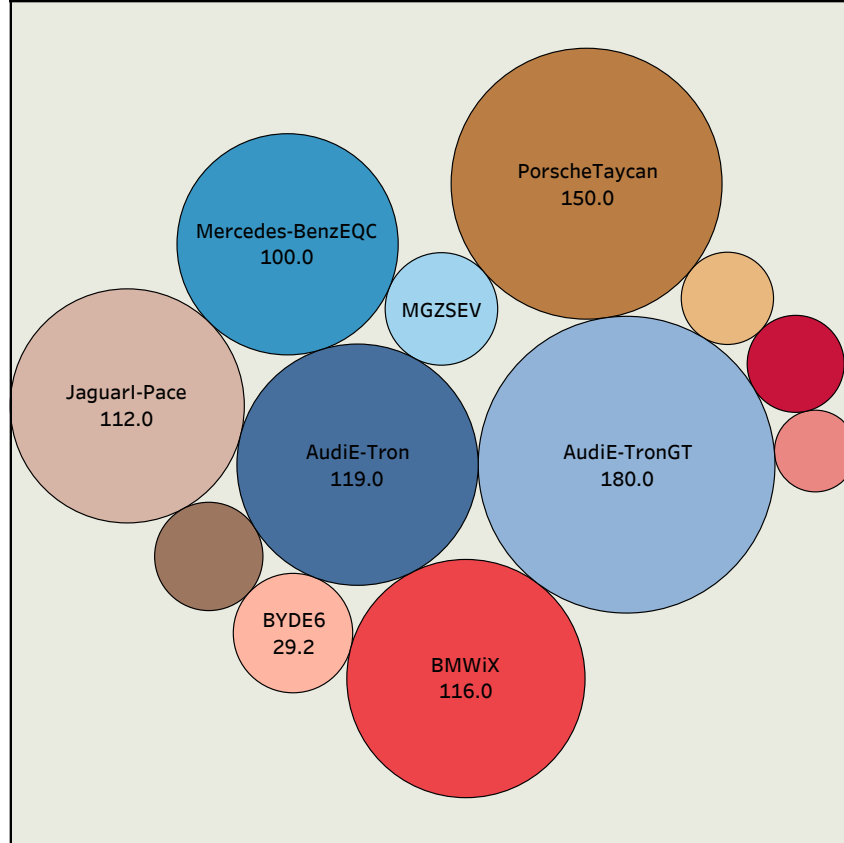

Count of Cheapestelectriccars-EVDatabase for each Fast Charge Speed. Colour shows details about Boot Space. The marks are labelled by Capacity. The view is filtered on Fast Charge Speed, which keeps 14 of 69 members.
